

# Year 5 Summer Term Curriculum Map 2023-2024

## **MATHS**

In Maths this term, we will be extending our knowledge on Geometry by learning about shapes and positive and direction. Moving forwards, we will be continuing to develop our knowledge about decimals, negative numbers, converting units and measuring volume.

## **ENGLISH**

Our focus text this term will be 'The Lion, Witch and the Wardrobe', Flotsam, Lionheart Speeches and Poetry.  
Our focus in English this term will be on structuring and writing narratives, speeches, poetry and descriptions.

## **SCIENCE**

Our science topics for the Summer term are 'Forces' and 'Properties of changing materials'. We will be learning about gravity, air resistance and water resistance. In addition, we will also be able to identify irreversible changes, including those that do not need heat and be able to explain the process of dissolving and how to recover the substance.

## **KEY TEXTS**

Lionheart Speeches  
The Lion, Witch and the Wardrobe  
RAP  
Flotsam

## **HISTORY**

In History, we will be learning about Early Islamic Civilisation. We will be learning about the key achievements and legacies of the city of Baghdad. We will also be able to evaluate and synthesize evidence from a range of sources to draw conclusions. All pupils will know the chronology of the end of the Golden Age.

## **GEOGRAPHY**

In Geography we will be learning all about what are rivers and where do they come from. We will be learning about the process in the water cycle, name the physical features of a river and the course a river takes. We will be able to use Digi Maps to locate some of the major rivers in the UK and the world.

# Year 5 Summer Term Curriculum Map 2023-2024

## **PE- Swimming, Athletics and Invasion Games**

In Athletics, we will use a variety of equipment, ways of measuring and timing, comparing the effectiveness of different styles of runs, jumps and throws.

In invasion games, we will play in competitive games developing stamina and endurance.

## **Spiritual, moral, social and cultural development (SMSC) – RE/PSHE**

In PSHE, we will be learning about how can drugs common in everyday life affect health and what jobs we would like in the future.

In R.E, we will be learning about how Christians live and what matters most to Humanists and Christians.

## **MUSIC**

In Music, we will be learning about how music shapes our way of life by understanding words, meanings and expressions. We will also be learning about how music connects us with the environment.

## **ART/DT**

In ART, we will be making a tile based on Early Islamic Art.

In D&T, we will be able to design and make a bridge for a purpose thinking about ways they can use to strengthen their own structures.

## **COMPUTING**

In Computing, we will understand that vector images are made up of shapes. We will learn how to use the different drawing tools and how images are created in layers. Also, we will be learning about how to design our own quiz.

## **LANGUAGES**

In French, we will know how to say numbers in French and how to order food in a French café as well as knowing about famous French foods and menus. We will be able to recite the French alphabet and use this knowledge to decipher unfamiliar vocabulary.
